At 24-storey high, The Myst rises above the verdant landscape of Upper Bukit Timah, a district surrounded by nature parks and reservoirs. Like a modern-day forest, this pristine development exudes an air of splendour in the midst of urban living.

Coming home feels as exclusive as arriving to a luxury resort. Along the Welcome Boulevard, tropical trees flank the perimeters of the driveway, ushering residents and visitors into the Arrival Court and Sculptural Courtyard in the most distinguished way.

A GRAND WELCOME INTO YOUR PRIVATE SANCTUARY

Within The Myst, a picturesque decked promenade mimics layers of a forest to create the experience of walking through the woods at every turn. Tropical trees form a canopy over pavilions, courtyards and common areas, providing shade from the sun and enveloping the residents in the serenity of nature every day.

A PERSONAL OASIS TO ENJOY YOUR INNER PEACE

Privacy is emphasised in different aspects of the landscaping. Pockets of oasis are carved from verdant spaces for quiet reflection and relaxation.

The Forest Adventure playground, with its exciting features and imaginative layout, promises hours of endless fun for kids. Whether it's playtime or family time, The Myst offers a perfect retreat to reconnect with nature and rekindle the joy of exploration.

EXCEPTIONAL COMFORT INSPIRED BY NATURE

Living room designed for function and flow

Indulge in a luxurious home that blends nature's serene ambience seamlessly with modern urban living. From the functional interior spaces to the balcony, The Myst provides a perfect balance of relaxation and vibrancy for those who live in it.

The use of a neutral colour palette enhances the sense of spaciousness and serenity, while thoughtfully placed details add a touch of understated elegance to the finishes, elevating the sophisticated feel of the home.

UNMATCHED QUALITY IN EVERY DETAIL

Thoughtfully designed kitchen for culinary explorations

Well-appointed bedroom spaces designed for restful sleep

Dining area to accommodate your guests and sense of style

At The Myst, the attention to detail extends beyond space planning to encompass aesthetics and functionality. The kitchen is equipped with branded appliances from Bosch and SMEG, transforming cooking into a pleasure. The bathrooms come with premium brands from Hansgrohe, Geberit, and Kohler, making every bath time a rejuvenating and indulgent experience.

The Myst is truly a masterpiece of luxury and refinement, catering to the most discerning of tastes.

Sophisticated fittings complement your resort-style bathroom

LIVE FRESH AS YOU LIVE GREEN

The Myst is a proud recipient of the BCA Green Mark Gold^{Plus} Award. This ensures that you can take pleasure in a home that not only provides the best of modern comforts, but does so with your interest—and that of the earth—at heart.

Passive Cool Design Architecture

- The residential units are designed with adequate openings for good natural ventilation within the units.
- The building is designed with North-South orientation, extensive façade vertical fins and good glass specifications to minimise solar heat gain.
- Residential units have deep balconies and horizontal ledges which provide shade for the interiors.

Environmental Quality and Protection

- Extensive landscape area and water bodies within the development to enhance the quality of natural environment on site, as well as provide visual relief to the residents.
- Provision of extensive amenities such as physical exercise facilities, playgrounds, function rooms, gardens, pools and drinking water points for user comfort.
- Common areas are designed with natural elements and direct visual access to greenery.
- Selection of sustainable materials to reduce overall embodied carbon of the development, minimising carbon footprint.

Water-Efficient Features

- Selection of water-efficient fittings for units and common areas.

Energy-Efficient Features

- Provision of energy-efficient air-conditioning systems for both residential units and common areas.
- Provision of LED light fittings and energy-efficient electrical equipment for energy savings.
- Use of motion sensors for lighting demand control at common areas to minimise energy wastage.
- Provision of energy-efficient lifts with Variable Voltage Variable Frequency (VVVF) drive and sleep mode features.

Other Green Features

- Provision of bicycle lots at basement to promote green transport and healthy lifestyle.
- Smart condo management system for residents to book facilities and provide operational feedback.
- Provision of pneumatic waste collection and disposal system.
- Provision of double refuse chutes to separate recyclable and non-recyclable waste.

To the extent permissible by law, the statements, information and depictions in this brochure may not be relied upon as statements or representations of fact, and they are not intended to form any part of the contract for the sale of the housing units. In particular, visual representations such as renderings, illustrations, pictures and drawings are artists' impressions only and photographs are only decor suggestions and cannot be regarded as representations of fact. The brand, colour and model of all materials, fittings, equipment, finishes, installations and appliances supplied shall be provided subject to the developer's architect's selection, market availability and at the sole discretion of the developer. All information and specifications contained in this brochure are current at the time of going to press and are subject to such changes as are required by the relevant authorities or the developer. All plans and models are subject to any amendments which are required or approved by the relevant authorities. All areas and measurements stated in the brochure are approximate only and subject to final survey. The Sale and Purchase Agreement embodies all the terms and conditions between the developer and the purchaser and supersedes and cancels in all respects all previous representations, warranties, promises, inducements or statements of intention, whether written or oral made by the developer and/or the developer's agent which are not embodied in the Sale and Purchase Agreement.

Smart Home: The unit will be supplied and installed with the following items ("SMART Home System"): a) Smart Home Gateway, b) Smart Voice Assistant, c) IP Camera, d) Digital Lockset, e) Lighting Control, f) Air-Conditioning Control System. The make, model, brand, design and technology of the SMART Home System to be supplied and installed in the actual unit may differ from the above illustration and are subject to change. Terms and conditions apply. Buyers shall be required to liaise with the smart home vendor instead of the developer to make all arrangements for the set up and configuration of, and for any queries, defects, maintenance and/or upgrade issues with the SMART Home System at buyers' own costs. Items/devices which are not listed above are not included in SMART Home System and may be purchased from the smart home vendor directly and installed at buyers' own costs after the handover of the unit.

Residential Services: Please note that the use of these services and facilities are chargeable as they are provided by third party service providers ("Service Providers"). While our Residential Host will assist in making arrangements, all costs incurred for use of these services and facilities are to be borne by residents. Provision of these services and facilities may be modified according to availability and at the discretion of the Service Providers. The Service Providers also reserve the right to terminate the services and facilities without prior notice. Other terms and conditions apply. Visual representations are not representations of the actual provision.
