V-ZUG service commitment and differentiation

V-ZUG Wholehearted Dedicated Service

Training:

1. Owners appliances training at V-ZUG ZUGORAMA @ Scotts Square (includes cooking demonstrations) during warranty status
2. Unlimited appliances operations training for Helpers at V-ZUG APEX Studio @ Henderson Road regardless during warranty status

ZUGORAMA Service: Bringing values with our highly trained personnel, providing trainings to end-consumers and/or house domestic helpers

Focus on the 3 Hows:

1. HOW TO USE
2. HOW TO COOK
3. HOW TO MAINTAIN

Concierge Service: Providing immediate and convenient communication service

Technical Service: Service commitment to respond within 3 hours to message or calls, onsite service within 2 days

1. Hotline: +65 69260878
2. Email: service.sg@vzug.com

Our technical specialist will response to you personally within 24 hours. For washing machine and refrigerators, we have loan unit if our technical specialist cannot resolve the problem on the day. Our after sales service commitment is regardless of appliances warranty status.

Appliance Standard Warranty: 2 Years

LOOKING FOR PERFECTION

Our commitment for a product culture does not result in a stylistic exercise for its own sake: The Gessi products have the ambition of improving people's quality of life and wellness through function, design and technology. This is the company's distinguishing mark.

VIA SOLFERINO

A PEACEFUL DESIGN

The pure and refined image of Emporio Gessi Via Solferino reminds peaceful environments where furnishing objects are sources of wealth, comfort and beauty.

GESI
THE PRIVATE

COMPANY

149

F I N O X

By carefully satinising the components before applying a unique nickel plate this finish brings with it an industrial, stainless steel inspired, aesthetic. For maximum impact add a statement art piece and featured lighting and balance with subtler elements such as a grey bathroom vanity and Brushed Nickel fittings.

CHARACTERISTICS

The thick double layer of nickel deposit creates a waterproof barrier preventing the brass from corroding.

ADVICE

Easy to clean

Scratch resistant
