LET YOURS BE THE LUXURY OF SPACE — AND TIME

WITH A RARE FREEHOLD HOME IN THE HEART OF THE CITY

NOT ALL HOMES ARE CREATED EQUAL

Meet the abode for those who refuse to settle for anything less than exceptional. Start with the coveted freehold address in prime District 9. Add a rare vantage point, overlooking Orchard Road at one end and Singapore River at the other. Then there's the matter of pedigree, courtesy of ADDP and studioMilou, the latter the architects behind the iconic transformation of the National Gallery Singapore. It all makes for so much more than a home. Meet the newest landmark in town — The Avenir.

S P A R E D

Artist's impression

In contemporary city living, what truer measure of luxury than space to breathe? The perfect foil to the two towering residential blocks, the landscaping is designed to heighten that rare sense of freedom.

Taking centre stage is the Great Lawn, an expanse of emerald green flanked by the sapphire blue of the 50m Lap Pool. With the gymnasium cantilevering over the lawn, let the open vista inspire your workouts.

STEP UP TO NEW LEVELS OF RELAXATION

Taking full advantage of the sloping grounds is a distinctive stepped architecture, with recreational facilities and lush landscaping interwoven. Along with cantilevered spaces, the staggered heights and depths of the terraces imbue these modern-day hanging gardens with a lively sense of movement and dynamism.

50m Lap Pool
